

Follow these easy steps to determine what your rates will be.

1. Find your county on the next panel to determine your area.
2. Locate the mode of payment that's best for you — annually, semi-annually, quarterly, or monthly.*
3. Choose the plan that best suits you:
 - Plan 1 — \$500 deductible
 - Plan 2 — \$1000 deductible
 - Plan 3 — \$1500 deductible
4. Find the proper age bracket for each insured.
5. Within your correct category, determine what your premium will be.

* Monthly requires 2 months with application
 * Quarterly requires 3 months with application
